

MAGNOS

Potential in magnetic workholding

Superior Clamping and Gripping

Potential in magnetic workholding

It's time to use the full potential for magnetic technology

- Easy and simple technology
- More advantages than disadvantages
- Hybrid solution with combination of other Schunk products
- Schunk has a large network with more than 25.000 customers

Less than 5% of Schunk customers know the magnet technology and use = **High potential !!**

Potential in magnetic workholding

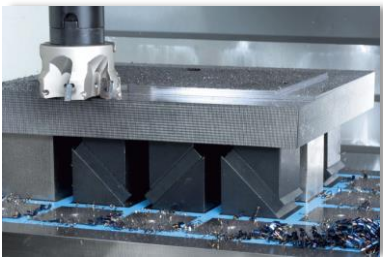

Overview industrial sectors for magnetic workholding

Potential in magnetic workholding

Overview applications

Milling

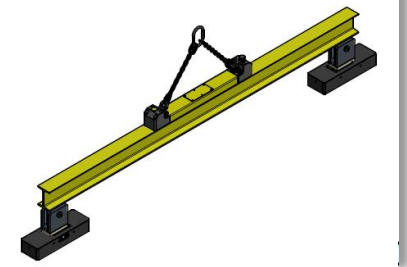

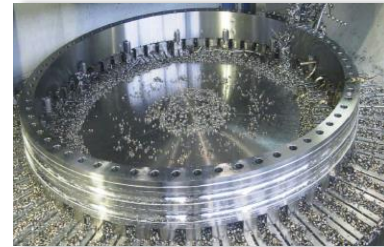

Grinding

Turning

Lifting

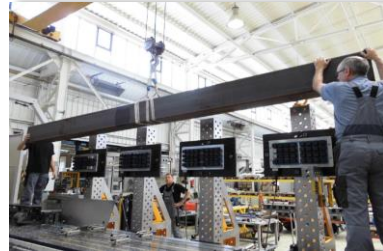

Potential in magnetic workholding

Overview applications

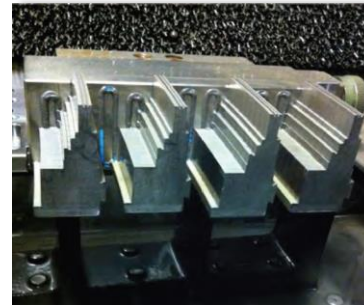

Rails

Profiles

EDM machines

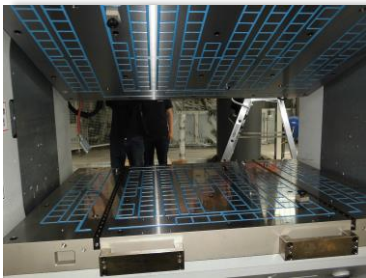

EGM Grippers

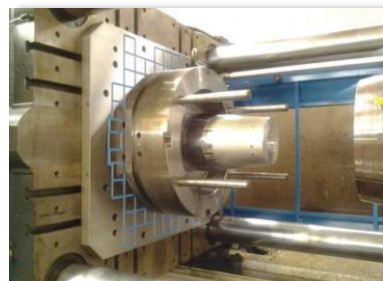

Potential in magnetic workholding

Overview applications

Presses

Moulding

Heavy Lifting

Potential in magnetic workholding

Overview industrial sectors for magnetic workholding

Potential in magnetic workholding

Overview industrial sectors for magnetic workholding

Potential in magnetic workholding

Type of customers

End customers

- Small companies
- Medium companies
- Large companies
- Contract manufacturers

Machine producer / OEM

- Grinding machines
- Milling machines
- Turning machines
- Others

Reseller / Dealer

- Regional dealers
- National dealers
- International dealers

Potential in magnetic workholding

Short overview of machine producer / OEM

Potential in magnetic workholding

Overview machines

Milling

- 3-axis vertical machining center
- 4-axis vertical machining center
- 4-axis horizontal machining center
- 5-axis machining center
- 5-axis machining center with turning option
- Gantry machining center

> CNC machines and also conventional machine

Potential in magnetic workholding

Overview machines

Turning

- Vertical turning machining center
- Horizontal turning machining center

Grinding

- Surface grinding machine
- Circular grinding machine

> CNC machines and also conventional machine

Potential in magnetic workholding

Support / Documents

- Application catalogue
- Magnos by Schunk
- YouTube videos
- Technical Reports
- Presentations
- Demo Kit
- Support from Inside sales team and 2 product specialists with over 15 years of experience in the field of magnetic technology

Superior Clamping and Gripping
